

"SHINE YOUR SMILE DAY" IS COMING

We have invited Mobile Dentist/Smile Programs to Algonquin Road School and FRG Middle School on December 6th. Mobile Dentists will bring its on-site preventive dental care program to our schools, because we know how important good oral health is to our students' overall general health.

Mobile Dentists' team will set up a mini-dental office in our building and will provide, as indicated, *dental examinations, cleanings, fluoride treatments, and sealants*. *The children who return completed permission forms may receive some or all of the above services.*

Mobile Dentists *provides grants* to families who require full financial assistance and subsidizes fees for those who need financial aid. No child is ever turned away by Mobile Dentists/Smile Programs because of financial need.

Mobile Dentists/Smile Programs meet any state's dental examination requirements, if mandated. (In Illinois this means those students in Kindergarten, Second and Sixth grades)

Enrolling your children to see the Mobile Dentists' team is a wonderful opportunity to give them preventive dental care easily and conveniently right at school. If you did not receive a permission form, please stop by the office or send us a quick email and we can send one home with your child. If you want your child to see the Mobile Dentists, please fill out the permission form completely and return it to your child's teacher.

You can learn more about Mobile Dentists/Smile Programs by going to its website: www.mobiledentists.com and watching the short video that details its work.
